# Q3 2022 IMPACT UPDATE

WELCOME TO OUR NEW

# PARENT PARTNERS

Join us in welcoming three new Parent Partner families to our ministry! These three families have committed to walk alongside Peak and Sarah from Cambodia and Berta from Guatemala. We are looking forward to seeing the many ways God will work in these relationships to bless and grow them together in a way that transcends borders and culture.

We have 20 children still in need of Parent Partners. Could God be calling you into the life of one of these special children? Contact us today to find out more about Parent-Partnering and the impact this special connection has on families and on the outlook of orphaned and abandoned children.

"Blessed is the one who does not walk in step with the wicked or stand in the way that sinners take or sit in the company of mockers, but whose delight is in the law of the Lord, and who meditates on his law day and night. That person is like a tree planted by streams of water, which yields its fruit in season and whose leaf does not wither - whatever they do prospers."  
Pslam 1:1-3

## NEXT STEPS PROGRAM

# NEW STUDENTS

Our Next Steps Program continues to grow as we look forward to welcoming seven new students into our program by the end of the year. Our ministry, mission partners, and Parent Partners have walked alongside each of these young men and women for many years, preparing them for this next stage in their lives. They have been on a path to discovering the calling God has placed on their hearts and gifted them with the talents to pursue.

Join us in praying for these faces as they leave their children's home and enter this new, challenging phase in life, as well as for the financial support that we as a ministry need to send them through college or trade school and provide the discipleship support they will need on their journeys.

## FIELD TRIP HIGHLIGHT

# CAMBODIA : AUGUST

Our August trip to Cambodia was the first team trip we have taken to Cambodia since the pandemic began. It was amazing to see the flourishing of our Next Steps students and the other children that we serve, even after so long apart. We are blessed with well-equipped, caring missions partners who daily pour into the lives of these children. Our relationships with these partners and the children continued where we left off and grew even more throughout our time in-country.

You can read more about our team's experience by reading the teams' "Our Footprints" posts here:

Our September Guatemala team was blessed with an incredible week as we served together with children and partners in Guatemala City and Santiago Atitlan.
